

UPSTATE

MEDICAL UNIVERSITY

Clinical Campus at Binghamton

Dear Colleague:

On behalf of the Clinical Campus Research Committee, we invite you to participate in the **14th Annual Binghamton Biomedical Research Conference**, a collaborative event sponsored by SUNY Upstate Medical University Clinical Campus, Binghamton University, United Health Services, and Our Lady of Lourdes Memorial Hospital, on **Wednesday, April 20, 2022, from 6:00 to 8:00 PM** at the *Binghamton University School of Pharmacy and Pharmaceutical Sciences Building* in Johnson City, NY. The building is accessible.

The purpose of this event is to facilitate communication within the region's diverse biomedical research community, and to showcase the latest healthcare solutions being developed within our institutions. This conference is open to all biomedical research investigators and students in the region. This year's program will exclusively feature poster presentations. Please use this opportunity to showcase your work and to learn about other research efforts. Your submission may describe proposed studies, works in progress, or completed studies, and you are welcome to have more than one submission per project at this conference. Research projects may be clinical, laboratory, applied, or basic. Research that has been presented at other scientific meetings or elsewhere is acceptable for poster presentation at this conference. **The deadline for submission of a poster abstract is Friday, April 8, 2022.** To review the submission guidelines and to submit a poster abstract, please click on the link below:

[Poster Abstract Submission Form \(Click Here\)](#)

This event also provides ample opportunity for students to network with investigators and other students throughout the region.

Please join us in promoting healthcare and related research in our region. Come either as a presenter or as a visitor. We request that all attendees register in advance. **The deadline for registration for the conference is Friday, April 8, 2022.** To register, please click on the link below:

To promote environmental stewardship, this year's program booklet will not be printed. Digital copies will be sent to each registrant – be sure to include a valid email when registering. For questions or further information, please contact Sheila Cheevers, Conference Coordinator.

Sincerely,

Sheila Cheevers
Conference Coordinator
